

Electric Meter Technicians (Dallas, Ft. Worth, Mesquite, Plano Area)

Texas Meter & Device seeks several full time, temporary positions for electric meter technicians. Incentive based pay -- \$175 to \$280 per day. Monday - Friday with Saturday work available. This is a full time job offer, not part time! All applicants must have a current drivers license, no criminal history and pass a drug screening prior to receiving training. If you can't pass these requirements, don't apply. Interviews and training to start immediately. Previous electrical experience preferred but not required. Training, tools, and service vehicle will be provided to qualified hires. Respond with complete resume. No calls will be accepted. Texas Meter & Device will contact prospective applicants with directions to interview location. Reply to info@texasmeter.com. EOE
